Dear Resident:

New York State Education Law requires school districts to take a census of persons under 18 years of age. We use this method because it is the most economical way of gathering census information. Consequently, we are asking your help in making our census as accurate as possible by voluntarily providing the information on this form. The data collected will be maintained in a confidential manner, and use solely to meet federal reporting of obligations for educational planning and administration of services.

**PLEASE COMPLETE ALL ITEMS WHETHER OR NOT YOU HAVE CHILDREN** and return this questionnaire PROMPLY within 10 days to the above address. Thank you for your assistance and cooperation. If you have any questions, please call Chris Connors at Herricks High School at 516-305-8720.
